Re: Public Records Request – October 21, 2019  
Emails

Dear Adrien Salzberg:

I am in receipt of your request for public records dated October 21, 2019, requesting the following information:

All police records and communications related to the 2014 "train pooper" incident. This includes emails, incident reports, arrest records, call logs, media inquiries received by police in the aftermath of the incident, and all other related documents.

The estimated costs to gather the information is \$115.99

It is estimated the process will take (4) hours to research/copy the requested information at a rate of \$25.00, that being the lowest paid employee in the office capable of performing the task. The data comes in a .pst format - viewing this data will require a pst viewer, or Outlook 2003 or newer. Our USB drives cost \$15.99 each. Total estimated cost is \$115.99.

We will begin to process the request once payment has been received.

You have the right to file a written appeal of this decision to the Supervisor of Records within ninety (90) days pursuant to 950 CMR 32.00 and M.G. L. c. 66, § 10(b).

Yours truly,

Kelly J. Cote, CMC
